"Carol Of The Bells", a piano solo by David Hicken, is one of twelve arrangements of Christmas carols for piano from the book and album "Carols Of Christmas". Rhonda Bartali and David Hicken are well known for their arrangements of modern Christian compositions for strings, clarinet and bassoon, which are becoming more and more popular in many styles of music, including pop. The recording caused much controversy, was criticized for calling for the use of cover versions as the main instrument in worship, but was released as a Christmas hit in 1994. The concept of the arrangement is built around structural changes (prefixes, suffixes and suffix pairs) and individual rhythmic melodies built into three rhythmic lines (two paired and final), and using the intonational structure of the mass. A maritime song for Holy Trinity and Tu Bishvat ("Birthday") was added to fill the void between groups of arranged church hymns. Three new Christmas albums have been released since the album: "Tutti Frutti", "Goodnight, Dear Santa" and "Wish You Were Here".
