My friend has it, and he keeps bugging me to download this game. Every time he does I tell him this is a waste of time and I don't want to waste my precious time downloading this game, if I download it I will never be able to play it, for one, I won't have enough space for it, and secondly, I'll wait for hours downloading files. This game is 10MB at the very least. The game is so outdated. It's not fun to play and it's not fun to watch. It has like 20 or so incorrect rules and it makes the physics and the gameplay worse. It's like they don't even try to make a good game but they use a DVD and the game itself. The game is boring, which makes it pointless to do it, unless you are bored and your friend keeps bugging you. I.E. My friend has this game and he keeps bugging me to download it.
