System Requirements:

The eCoinomic App supports all major operating systems like Windows, Mac and Linux. You can download it from the eCoinomic website for your operating system. The app is built with HTML5, CSS3 and Javascript. So if you don't have any of these technologies installed on your PC you can still download the eCoinomic App. You just need to have Java (for Mac) or Java Runtime Environment (for Linux). You also need to have at least 2 GB of RAM and 2 GB of Hard Disk space in your PC.
