Guitar World Magazine's Game of the Month from 2017 is Guitar Hero: World Tour. Since its initial release in 2009, the Guitar Hero series has remained one of the most popular rhythm games of all time. If you're a fan of Rock Band, bass, drums, and piano, you'll likely love GH! The game is easy to learn, approachable for new players, and fun for anyone old enough to hold a guitar in their hands. (C) 2017 Harmonix Music Systems Inc. All Rights Reserved. Set for a release on June 12, 2017, the 2017 Game of the Year

---

edition of Guitar Hero: World Tour will be available as a digital download on Xbox One, PlayStation 4 and PC. Developed by Retro Studios, Guitar Hero: World Tour features all official songs from the band's critically acclaimed self-titled album, as well as two exclusive new tracks. With more than 45 million copies sold and multiple awards and best-selling albums to its credit, it's safe to say that this world-class musical journey will be an experience like none other. Watch the official announcement video below to learn more and preorder your copy today. DIGITAL

First Time, Learn to Play the Guitar Like no other guitar tutorial program available. Instructional videos and audio tracks allow you to play along and experience chord structures. Best of all, the program includes detailed written guitar lesson, so you can watch again and again. Play Along, Hear the Songs; Learn the Songs Simply press "Start" to begin play-along playback of the complete guitar tutorial at any song in the player window. In addition, you can access songs by accessing the Song List that can be found on the left side of the tutorial window. The feature allows you to view and select a song in any order, including a "Playlist" - a dynamic playlist that automatically loops the songs and offers a unique musical performance. Because the method takes you through all the material in a step-by-step fashion, it is possible to learn more material than is necessary for a particular lesson. Complete Guitar Tutorial; Student Guide and

---

DVD When complete, this tutorial includes an integrated "Student Guide" that contains an 8-page song list that lists all the songs, as well as background information on songs, chords and strums. Each song in the student guide includes a short lyric. You may use the "DVD" to practice your new skills, either alone or with a group. With the push of a button, you can play any song, or can listen to the entire tutorial, or go back to specific sections and review them. Intuitive Visual Interface; Re-learning Guitar The visual interface is logical, easy-to-understand and fun to use. You can even watch a demo of how it works, which will familiarize you with the interface. Forums and Other Extras: Learn Your First Guitar Chord Learn the essential guitar chord chart! No other online program does this so effectively. Re-learning Your First Guitar Chord Learn the essential guitar chord chart! No other online program does this so effectively.
