i hope it may be downloaded without problems. I give this game almost a ten because of the greatness in the graphics, the gameplay and the enemy types. by takaf / Oct 07, 2014 A great RPG If you like the game you want to buy it, otherwise dont.. Gameplay is not that shabby. The characters are enjoyable to interact with. Personal requests are listened to. The gameplay is not up to par to my expectation, but its all about being a baby dragon who just got his wings, I don't expect to beat the elite guards and bosses in story mode. by takaf / May 16, 2014 THE BEST RPG its addicting you can't stop playing, once you play this game everytime you play and enjoy the amazing graphics and its story you never want to miss it. by iamtakaf / May 16, 2014 THE BEST RPG its addicting you can't stop playing, once you play this game everytime you play and enjoy the amazing graphics and its story you never want to miss it. by shelron / May 15, 2014 THE BEST RPG its addicting you can't stop playing, once you play this game everytime you play and enjoy the amazing graphics and its story you never want to miss it. by takaf / May 15, 2014 THE BEST RPG its addicting you can't stop playing, once you play this game everytime you play and enjoy the amazing graphics and its story you never want to miss it. by ninahok / Apr 16, 2014 THE BEST RPG its addicting you can't stop playing, once you play this game everytime you play and enjoy the amazing graphics and its story you never want to miss it. by takaf / Apr 11, 2014 THE BEST RPG its addicting you can't stop playing, once you play this game everytime you play and enjoy the amazing graphics and its story you never want to miss it. by takaf / Mar 21, 2014 THE BEST RPG its addicting you can't stop playing, once you play this game everytime you play and enjoy the amazing graphics and its story you never want to miss it. by iamtakaf / Mar 15, 2014 THE BEST RPG its addicting
