Artificial Intelligence meets Industrial Design in the all-new sci-fi action game, Spring It! Developed by Audiotonix and AnM Studios, Spring It! is set in the near future, where humanity has been displaced from Earth in a catastrophic derealization. You play as the last human robot, designated as R9-5K, and tasked with delivering a second chance for mankind. You will be challenged in nine levels, each with its own distinct and innovative gameplay element and atmosphere. Just like in real life, your robot is endowed with artificial intelligence (A.I.) giving it the ability to think and react to its environment. Players can use a ball and stick maneuvering tool to physically interact with the environment, or they can feel the game's mechanical action with the intuitive and responsive hovering controls. Features include - 3D rendered graphics - A unique mix of mechanics and physics - More than 12 different weapons and guns, each with a unique feel and unique damage and effect - Armor to protect or even absorb damage - Physical feedback, from the weight of bullets and dynamite, to even a spring-loaded pinch gun - Completely destructible environment - Levels that feel completely open with different destination points to find in each level - Even small parts of the environment can be physically tapped or clicked to release powerups - Four difficulty settings (Easy, Normal, Hard, Insane) - Four modes of play (Story, Endless, Challenge, Time Trial) - Over 250 music tracks from over 40 different artists, both covers and original - Playable in Virtual reality on Oculus Rift and HTC Vive virtual reality headset - Gamepad support - Includes "Spring It! Original Soundtrack" by AnM Studios in MP3 format. - No additional installation required About AnM Studios: Audiotonix is a renowned composer who has worked on titles such as Wonder Boy III: Monster Lair, Crimson Skies, Crossfire, Haze, and many more. AnM Studios is a leading sound design studio and has been producing music for some of the biggest game franchises. Get it on Google Play or c9d1549cdd
