This is the tentative title of a new fantasy action RPG that will launch for PC via Steam in Spring 2020. Our vision is for this game to be the foundation for our future project, an interactive world that allows players to explore freely through persistent online gameplay. We are determined to realize an unparalleled fantasy RPG with the magic of motion-based gameplay and stunning visuals. We are greatly honored that the ENMAN Group has entrusted us with the creation of this game and we will continue to strive to create an enjoyable game with everyone! ABOUT ELDEN RING: Esuma, Inc., a software company based in Aichi, Japan, develops the game that will launch for PC via Steam in Spring 2020. We have set out to create an innovative game experience that combines the magic of motion-based gameplay and breathtaking visuals. You will be able to launch this game from the Steam catalog starting from Spring 2020. The Black Rock Desert, in Nevada, is the nation's largest commercial thoroughbred horse race track. Small groups of tourists visit the remote track on their way to other desert destinations. A dirt road and rail stop mark the halfway point between Reno and Las Vegas. Travelers stop off here to recharge their vehicles, and store their luggage in one of the 5-star hotels located nearby. Halfway between Nevada and Arizona, the Indian Wells Valley is a fertile oasis in the Nevada desert, surrounded by towering red rock formations. The nearby town is a busy agri-business center, with the Hwy 66 restaurant being a popular stopping point. A narrow dirt road snakes its way through the stunningly beautiful Red Rock country of southern Nevada, with endless views of jagged mountains and deep valleys. It is accessible only by 4WD vehicle, 4WD equipped tour van or a guide at the end of the road. Located on the south side of the Sahara Desert, in the bright lights of Egypt's capital city, Cairo. It is a sprawling city with an enormous amount of activities that entertain people from all over the world. There are markets in nearly every direction, donkey-drawn carriages, camel rides, museums, and many other interesting places to visit. "Henderson, Nevada, straddles the Arizona-Nevada border, is the most Northern suburb of Las

Release Date: TBD Pre-Order to get a bonus chapter at launch! Action RPG game developed by SEGA, the player takes on the role of a boy who has his own dream as a hero and the ability to see the dream. As the protagonist is sacrificing himself to fight against the demon king who has an evil influence on the world in his dreams, you will raise your power to fight alongside him. In the game, as the protagonist, you fight multiple battles until the end of your adventures and gradually improve yourself. Gameplay takes place through various movements as you fight in battles against the monsters, perform various skills, and absorb the "Arcane Heat" as you evolve your character and strength. You will experience the battles and quest in four different worlds separated by the worlds between. You can freely move from one world to another. You will become stronger by acquiring Arcane Heat through defeating the enemies in the battle, and will also get higher strength with new Arcane Heat. What's more, by performing various actions in the game, you can also gain strength to be able to move in the world freely, and as such, the story will be unveiled in stages as you proceed. "WE DIDN'T COMPROMISE ON STORY" SEGA says, "No matter what happens during the process, we've tried to maintain our original concept of a story in the game's principal elements, changing nothing". This action RPG game made by SEGA continues the development of the innovative visual elements and user experience that we have been providing for 20 years of game development. With this RPG game developed by SEGA, you will feel like you're in a dream as you're engulfed in the action and immersed in its world of vividness. Contact: Website: Twitter: Facebook: System.
