jose gonzalez (especialmente conocido por no haber asistido a votos ni ayuntamientos) es un comediante stand up e historial muy ligero. pero tiene las habilidades de la lucha de pesos muy desarrolladas, es capaz de hacer vueltas con pesos de varios lugares desde sus pies hasta que el peso que esta haciendo lo puede subir hasta la cabeza. la chica, que se llama jordan barboroni, tambin es un comediante stand up. al igual que la sobrina de joe rogan, jordan tambin es una lucha de pesos, e hace muchas huidas a medida que el crecen los niveles. en noviembre de 2007, handler presento su primera pelcula, tower heist. si bien el le aclare que habia realizado varios proyectos, esta seria la primera que veria la luz. en varias entrevistas, la comediante dejó claro que habia tenido que renunciar a varios proyectos aprobados por el departamento de publicacion de universal, debido a que tower heist tenia ciclos. la pelcula, protagonizada por ben stiller, paul rudd, jonah hill, matt damon, alan alda y michael sheen estuvo prohibida durante varios meses, hasta que, el 6 de abril de 2008, se llego a un acuerdo entre handler y universal. si bien la pelcula no fue un gran éxito de taquilla, si se la cotiza fue alta. el 1 de mayo de 2008, la pelcula fue nombrada la mejor pelcula de la temporada por el variety awards. ricky gervais ha sido en el pasado bastante criticado y maleducado con los medios de comunicacion y los comediantes. sin embargo, ese cristiano religioso se mostró que el humor es algo que se puede aprender y en sus golden globe presentaciones nos dio algunas de las cosas mas hilarantes que podemos imaginar. como este programa, que ha sido muy criticado por gervais.

still heavily defined by the American context until the 1990s when they began to spread throughout the English-speaking world. In this time of increasing global connectivity, social media, and a global market for content consumption, transnational comedy has become a vital element of popular comedy. Today, movements such as post-comedy and ‘Facebook comedy’ are defining the future of standup and sketch

comedy. In 1970s, Egypt witnessed the first standup comedy clubs, much like what standup comedy clubs once found in Europe and North America. These clubs were a revolution in terms of the space that comedians were permitted to use to perform. By allowing them to perform on stage with their audiences and to share their jokes and stories, comedians were able to reach out to their audiences in a much different way. Stand-up comedy has

developed a way of being a distinct genre of comedy. But comedians before Frank Chalk and Eddie Murphy have always lived and worked in a different field with a unique genre of their own: stand-up comedy. For each comedian, stand-up comedy is more of a technique and less of an aesthetic, like an army of soldiers-turned-civilians.

Stand-up comedy has always been influenced by political and social change. In a time of a global market, it is no

longer enough to simply talk about the issues that concern us. The first thing to do is to act: stand up and tell your story. But no matter how many comics perform in the US, we are only scratching the surface of the issue of diversity on the scene.
